Sir:

This Information Disclosure Statement (IDS) is supplemental to the IDS filed October 7, 2005. The references listed on the attached PTO/SB/08 (modified) form were cited in the International Search Report (ISR), and were also cited in the October 7<sup>th</sup> IDS. The USPTO should have received copies of the references cited in the ISR from the International Bureau.

Applicants' representative was informed by the Supervisory Patent Examiner (SPE) during a telephone conversation on November 18, 2009, however, that these references were not received by the USPTO. The SPE suggested that the Applicants file a Supplemental IDS. Accordingly, the instant Supplemental IDS is being filed. *Applicants submit that since this is a Supplemental IDS to the IDS filed October 7, 2005, the present IDS is timely and does not require any fee.*

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not

A copy of the International Search Report, which was submitted with the October 7<sup>th</sup> IDS, is being resubmitted herewith in compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents. Specifically, the relevant portions of MPEP § 609 state:

This may be an explanation of which portion of the reference is particularly relevant, to which claims it applies, or merely an "X", "Y", or "A" indication on a search report."

In view of the foregoing, Applicants respectfully request the Examiner to initial the appropriate sections of the attached PTO/SB/08 form.
